Don't Be Left in the Dark

Generac has been the #1 Name in Home Standby Power for Over 50 Years

We have automatic standby propane and natural gas generators for your home! We also have propane tanks available for your long-term storage needs. Call us for authorized sales and service, and we'll send you a factory-trained technician who provides complete installation from start to finish!

Stop by for a brochure or go to www.mountainwestpropane.com and request one by e-mail on our contact page.

Need a portable generator? We've got those, too!

PROPANE SAFETY

TRANSPORTING SMALL CYLINDERS

ALWAYS transport and store a cylinder in a secure and upright position so it will not fall, shift or roll. **NEVER** keep a filled cylinder inside a hot vehicle or transport it inside a closed trunk. **ALWAYS** proceed directly to your destination and **immediately** remove the cylinder from your vehicle.

Would you like to be on a budget program?

Our budget program is called Equal Payment Plan (EPP) & it is a great way to help you save money.

- Your yearly usage will be evaluated and a monthly payment will be determined.
- Your payment will be automatically withdrawn from your checking account by Electronic Funds Transfer (EFT) on the date you choose.
- You will be automatically put on a route which will save 5 cents per gallon and eliminate outages.

The first payment needs to start in April, so please let us know if you'd like to be evaluated for the EPP by March 15th. Visit our website to see a sample contract.

Employee Spotlight

Rod Swasey joined MWP in the

fall of 2013 as a full time bobtail driver. Rod lives in the Bridgeland area with his wife Christine. He has 4 children and 6 grandchildren. In his spare time, he enjoys farming and target shooting. Rod has been a valuable addition to our team. He's a quick learner and fun to work with. We really appreciate his willingness to work hard.
