**We offer discounts to
our Veterans.
Thank you for your
service!**

Equal Payment Plan (EPP)

Looking for a simple budget payment plan for propane? Look no further! With our EPP Plan, we will determine your annual usage, calculate your monthly payment and deliver! The yearly EPP contracts are from April 1, 2022 to March 31, 2023. Contact our office by March 18, 2022 for more information and to sign up.

Out of Gas Fee

If your tank runs out of propane and you are not signed up as a Route Customer there will be a \$45 out of gas fee. Additionally, if this is after hours, or we do not have a driver in your area there will be an emergency delivery fee of \$45-\$75 depending on your location. Remember to keep an eye on your propane levels and provide adequate notice for delivery.

Employee Spotlight

Brent Nelson is our longest seasonal driver here at Mountain West Propane starting back in 2014.

Brent was born and raised in the Uintah Basin where he has planted those same roots for his own family. Married, going on ten years to wife Shaylee Quick, they have 4 little ones that keep them on their toes. Brent also maintains the balance of running his farm in Pleasant Valley and his ranch in Ioka year-round where he farms and raises cows.

Growing up, he enjoyed fishing, playing sports, and camping. He studied Biology at UVU.

Brent works hard and enjoys the challenge of being a great husband, dad, and an amazing asset to the MWP team.

Celebrating 40 Years!

This year we are celebrating 40 years in business in the Uinta Basin. Kevin and Shane Duncan, along with all the staff here at MWP, would like to thank you for the continued support. To say thanks....mention this newsletter during the month of May and we will fill your 20 lb cylinder at one of our locations for FREE. (Only 1 per customer).
