### The ALLIANCE AUTOGAS Advantage

- Meet sustainable goals and reduce costs
- Buy American-Domestic fuel and conversion systems
- Reduce fuel cost by 30%

Click on the QR Code for more information.

## EQUAL PAYMENT PLAN (EPP)

### Equal Payment Plan (EPP) & Pre-Buy Plan

**No more worries about big bills or running out of gas!**

- EPP customers are automatically put on a route
- EPP customers must have approved credit
- EPP customers don't have to pay a big, one-time bill. We will average your usage through the year and determine what your monthly payment should be to cover that usage.
- Your payment will automatically be withdrawn by Electronic Funds Transfer (EFT) on the 5th, 15th or 25th of each month.
- Your account will be reviewed at the end of each contract period, and the payment amount will be adjusted accordingly.

#### New Contracts

Contract period is from April 1st of the current year through March 31st of the following year. Contracts are normally made in March so we can begin pulling the monthly payment in April. We will continue to accept new contracts after April, however, the monthly payment will be more per month because it will be divided by less than 12 months when the monthly payment is figured.

Call the office **SOON** to be put on the list for EPP! We figure gallons & payments up in March and monthly payments start in April.

## HOW TO USE PROPANE SAFELY

The safety of our customers, employees and our community that we serve is paramount to our culture at MWP. Whether you are a first-time or long-time customer, this site offers a wide array of valuable resources for the safe delivery, storage and use of propane to power homes, businesses, fleets and farms. *Featured Safety Tips & videos* on this site are very informative!

## GENERAC GENERATORS

Power outages are occurring more than ever. Be prepared with a home standby Generac Generator.

MWP offers turn-key solutions for your generator needs for both propane and natural gas applications. Our trained team is ready to help with everything from sales and installation to service. Contact your local office for more details and to schedule a free consultation today!

## EMPLOYEE SPOTLIGHT

Bill Hering began working at MWP in April of 2024 as a bobtail driver in our Craig, CO office. He has been a much needed asset as our business continues to grow in this area.

Bill knows the community and people very well as he was born and raised in Craig. His family has lived in Craig for three generations. He loves the high country of this area and exploring its beauty in his side by side. He enjoys LOTS of fishing from fresh to salt water. Other hobbies include camping, wood carving and spending time with his wife, Tracy, and all of his family.

We welcome Bill and are very happy he is part of our team at Mountain West Propane!
