EMPLOYEE SPOTLIGHT

Katrina Harris has been part of the MWP family for 15 years, starting back when there was just one little office in Roosevelt. Today, she's our Corporate Admin and CSR Manager, and she's loved watching the company grow into four service areas with three busy offices. Helping CSRs grow and become confident, capable rockstars is one of her favorite parts of the job.

Katrina lives in Lapoint, UT with her husband, Kirk. They will be celebrating 35 years this July. They raised two boys in the Vernal/Lapoint area, and now she's enjoying life as a grandma with one grandbaby here and another on the way. Katrina and Kirk also LOVE visiting Yellowstone whenever they get the chance—it's one of their happy places.

When she's not at work, you'll probably find her reading a good book, riding bikes, hiking in the mountains, camping, or dominating a fantasy football league.
